

Sea Mills and Coombe Dingle

FRONT GARDEN TRAIL

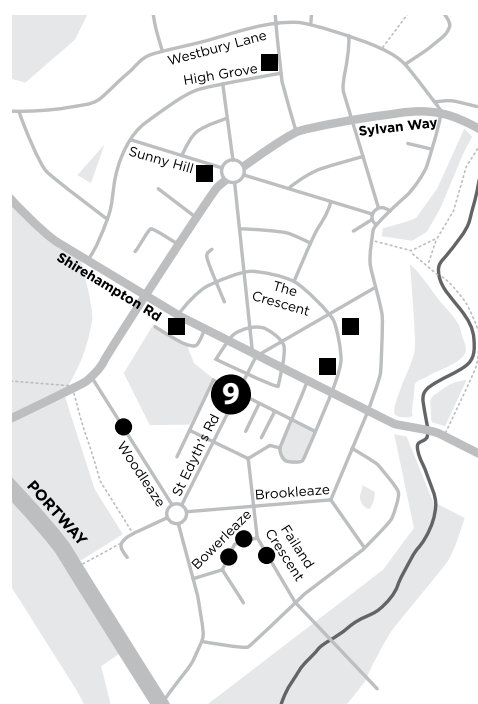

Saturday 18 July 2020

Sea Mills South

- **5 Failand Crescent, BS9 2HH**
Plants, glorious plants in no particular order – I hope the Agapanthus will be out.
- **Garden Close (off Bowerleaze), BS9 2HZ**
Wheelbarrows away!
- **15 Bowerleaze, BS9 2HJ**
Lockdown project for my 14 year old son to encourage bees and butterflies into our garden.
- **11 St. Edyth's Road, BS9 2EP**
Glorious glowing geraniums guaranteed to give you gladness!
- **12 and 14 St. Edyth's Road, BS9 2ES**
"Come and rest awhile" garden bench.
- **13 St. Edyth's Road, BS9 2EP**
Our garden was formerly two lawns but now it's two outdoor rooms – architecture rather than horticulture.
- **15 St. Edyth's Road, BS9 2EP**
At the start of lockdown, we built two raised beds. Abundant fruit and vegetable produce can be seen, in addition to climbing roses and other plants.
- **23 St. Edyth's Road, BS9 2EP**
Colourful, interesting, hopefully inviting and high maintenance.
- **25 St. Edyth's Road, BS9 2EP**
Lots of colourful perennials (unintentionally purple!) with some flowering annuals and a few Russian Giant sunflowers that will hopefully live up to their name...
- **28 St. Edyth's Road, BS9 2ES**
Postcards from lockdown – patio garden and postcard activity for children and young people.
- **34 St. Edyth's Road, BS9 2ES**
This garden trail is a chance for us to create something fun with our children for everyone to enjoy.
- **20 Woodleaze, BS9 2HY**
Trying to make edible look (and taste) incredible.

Sea Mills North

- **3 The Crescent, BS9 2JR**
My allotment/garden plot containing vegetables and flowers grown for cutting is accessed through a gate at the top of the lane which runs between numbers 7 and 9 The Crescent.
- **24 The Crescent, BS9 2JR**
Please enter front gate, walk through front around the side and exit by garage.
- **159 Shirehampton Road, BS9 2EE**
Also back garden via side tunnel.
- **43 Sunny Hill, BS9 2NH**
Our front garden has a terraced lower area, a lawn and flower pots.
- **95 High Grove BS9 2NR**
Originally a red brick front – it's mostly a place to park the car but we thought it might as well be as pretty as it can be, and now the Wisteria and Photinia are taking over.

This guide is available to view and download at www.seamillsandcoombedingle.com

Coombe Dingle trail...

Coombe Dingle

- **6 Wyedale Avenue, BS9 2QQ**
Rather wild, but hopefully friendly for the insects
- **Backwoods, 5 Southside Close, BS9 2QY**
An explosion of colour!
- **40 Southwood Drive, BS9 2QU**
A front garden that is secluded and private yet inviting and welcoming all at the same time.
- **2 Bowden Close, BS9 2RW**
A mixture of ornamental trees, lawn, herbaceous perennials and pots planted within a cottage style planting theme.
- **21 Grove Avenue, BS9 2RP**
A garden in its adolescence: hardstanding contrasted by soft planting with the biggest bug wall you'll ever see and Art-Deco-inspired fencing.
- **25 Grove Avenue, BS9 2RP**
Different, not weed-free, but hopefully full of colour.
- **2 Pitchcombe Gardens, BS9 2RH**
An overgrown cottage garden!
- **4 Pitchcombe Gardens, BS9 2RH**
A garden make-over planted eagerly but perhaps randomly – beds replacing scrawny grass and concrete; star plants the mulberry and a rose whose leaves are scented in the rain.
- **5 Pitchcombe Gardens, BS9 2RH**
A small, colourful garden planted for pollinators.

Take photos and
post on social media:
